October 20, 2011

Dear Parents/Guardians and Students,

A-1 Driving School, Inc. has partnered with FULTON COUNTY PUBLIC SCHOOLS! We have established this partnership to spread the importance of safe driving and, in turn, hope that it becomes contagious! To encourage you to take this step with A-1, we have drastically reduced our prices to as low as \$47.50 an hour (lowest prices you can find in Georgia!)

But first, let us introduce ourselves!

A-1 Driving School is a family owned and operated company established in 1987. Since 1987, we can proudly say that we have helped thousands of people get their license! We are certified by D.D.S. (Department of Driver's Services) as well as our highly trained and professional instructors. Our instructors care about you! You will feel safe knowing that A-1 instructors range from teachers, police officers, and to firemen. They continue to serve our community by successfully training and preparing you for the road ahead. To further ensure that you receive a quality learning experience we offer private driving lessons to everyone. Our staff is patient and ready to help you succeed!

For ALL STUDENTS in Fulton County, we offer \$50 dollars OFF our already reduced fee of \$399 which includes a package of 6 hours of driving and 30 hours of classroom instructions. This package helps to fulfill requirements set forth by JOSHUA'S LAW. ALL 16 to 17 year olds must fulfill these requirements in order to receive a Class D driver's license.

For your convenience we have 14 locations diligently serving the greater metro Atlanta area. We welcome you to come in to register or you may call us or email us to schedule your driving and/or class appointment. To even further the convenience, our 30 hour classroom instruction will be held at your high school. A-1 Driving School also offers a free pick up and drop off at the high school you attend!

Our goal is to help Georgians become the best drivers in the nation! So get driven with A-1! Ask your school if they are scheduled to have a driver's ed. class. If so, make sure you sign up fast as we are only allowed to admit 20 students. We hope to encourage you to take this step to become a safe and knowledgeable driver. Please feel free to contact us for any information you need. We thank you for your time and we hope that our company may help serve you on your road to success.

Thank you from your friends at A-1 Driving School!

Sincerely,

MikeT.Markos
Program Administrator
