

CENTENNIAL HIGH SCHOOL

ESOL Math Courses – 2018 Summer Assignments

ESOL Math teacher: Hyejoo Jeong

(If you have any questions, please email: jeongh@fultonschools.org)

ALEKS Assignment: You need to log in and continue your path. There will be a Knowledge Check in the middle of your path. You need to answer as much as you can (click 'I don't know') if you are not sure how to solve the problem and move on. It is just a checkpoint to customize your lessons.

The number of skills mastered will be counted and graded when you come back. This summer assignment is self-paced, and lesson examples are available as well as 'Spanish' version.

The goal is to master 100 skills over the summer.

ALEKS Assignment: You need to log in and continue your path. There will be a Knowledge Check in the middle of your path. You need to answer as much as you can (click 'I don't know') if you are not sure how to solve the problem and move on. It is just a checkpoint to customize your lessons.

The number of skills mastered will be counted and graded when you come back. This summer assignment is self-paced, and lesson examples are available as well as 'Spanish' version.

The goal is to master 100 skills over the summer.

iXL Assignment: Log in to iXL.com using the information given. The assignment will be posted weekly. You need to complete 8 assignments by July 31st. When you come back there will be a quiz based on the assignments.
